**On site training (non Phased Array) at clients facility (within the USA)  
Or Special Non-Scheduled courses presented at T.E.S.T. NDT'S facility in Brea, CA**

40 hour courses: as detailed above. \$7,495.00

32 hour courses: as detailed above. \$6,495.00

24 hour courses: as detailed above. \$5,495.00

16 hour courses: as detailed above. \$4,495.00

**Terms and conditions**

All above on site course fees are for up to 8 students unless otherwise stated and include course manuals and any other handout material given, a final course assessment test and course completion certificate if applicable.

If specific courses are needed, they can be developed for a negotiated fixed cost. Please call for details.

Expenses will be charged as incurred to cover travel time (for work packages less than 40 hours), accommodation, air travel, rental car expenses, all meals and any other reasonable (daily per diem) costs incurred.

As an alternative to the above option of expenses billed as incurred, a pre-arranged per-diem payment using government rates can be billed.

The shipping/freight charges for all manuals, equipment and specimens necessary to conduct the training will be the responsibility of the customer.

**T.E.S.T. NDT will provide:**

Qualified (ASNT Level 3 in method being taught) Instructor  
Course manuals or books and any other handouts necessary  
End of course test  
Course Certificate for successful completion of course  
Videos if necessary  
NDT equipment necessary to support practical exercises  
Actual defective specimens for practical exercises

**The customer will provide and be responsible for:**

Note: These items not required if courses conducted at T.E.S.T. NDT in Brea, CA  
Suitable classroom with adequate seating  
Whiteboard  
TV/VCR  
Overhead projector and screen  
Refreshments, (coffee, water)  
Restrooms

Shipping charges for any necessary support equipment needed for the training.

### **Qualification Examination Services and charges**

\$200 per single "part" Examination.

\$450 for General / Specific / Practical parts taken together.

\$50 discount per part if taken in conjunction with training course.

\$50 extra charge per part for NADCAP examination requirements.

Qualification examinations can be administered based on the above prices per person per method including the General, Specific and Practical examination administration, grading and reporting.

If examinations are conducted combined with a training course, the fee will be reduced by \$150 to \$300 per student per method.

Examinations based on NADCAP requirements will incur an extra \$50 charge per part.

Examination question preparation for customer specific examinations will be billed at \$495 per 20-question examination charged PRO-RATA. (ASTM based specific examinations are considered to be standard examinations and will not be billed).
